**Re: Shariese Abdullah v. Rowan University & Noah Weinstein**  
**No.: 1:21-cv-19256**

Dear Judge Bumb:

On May 6, after the deadline to do so had already passed, Plaintiff's counsel requested yet another "extension" of time to file a Supplemental Brief in response to Defendants' Motions to Dismiss. In doing so, Plaintiff's counsel wrote as follows:

*I kindly ask for the court's understanding that we are a few days behind schedule.  
We aim to submit the brief by May 9, and we are working diligently to complete it  
sooner.*

It is now May 29, and once again, no brief has been filed. Plaintiff's counsel has also failed to file the Stipulation of Dismissal that this Court asked him to file on April 24, 2024, and reminded him to file on May 8, 2024.

At this point, Defendant Rowan University respectfully requests that the Court issue final rulings on all pending motions based on the existing briefing record, as there is no indication if, or when, Plaintiff's counsel might actually file another brief.

Thank you for your consideration of this request. I am of course happy to speak at Your Honor's convenience.

Respectfully submitted,
